As the highest Percentage Ratio for the Company upon aggregation in respect of the transactions contemplated under the Letter of Award and the Supplemental Letter of Award is more than 5% but less than 25%, the entering into of the Supplemental Letter of Award constitutes a discloseable transaction for the Company and is subject to reporting and announcement requirements under Chapter 14 of the Listing Rules.

INTRODUCTION

On 21 June 2018, the Project Owner, an indirect wholly-owned subsidiary of the Company, awarded to the Main Contractor the Letter of Award with a contract sum of RM12.0 million (equivalent to approximately HK\$22.7 million) in relation to construction works at the Group's Perak Plant (exclusive of mechanical and electrical engineering works).

SUPPLEMENTAL LETTER OF AWARD

The Board announces that on 5 October 2018 (after the securities trading hours of the Stock Exchange), the Project Owner has awarded a Supplemental Letter of Award to the Main Contractor, pursuant to which (i) the Main Contractor shall be responsible for carrying out the mechanical and electrical engineering works at the Group's Perak Plant in accordance with the Project Owner's design and specifications through entering into a Subcontract Agreement with the NSC; (ii) the scope of work undertaken by the Main Contractor under the Letter of Award has been revised to include mechanical and electrical engineering works at the Group's Perak Plant; and (iii) the contract sum granted under the Letter of Award has been revised from RM12.0 million (equivalent to approximately HK\$22.7 million) to RM20.8 million (equivalent to approximately HK\$39.3 million) after taking into account the original contract sum under the Letter of Award of RM12.0 million, the newly added contract sum for mechanical and electrical engineering works of approximately RM8.7 million (equivalent to approximately HK\$16.4 million) and the profit and attendance fees of approximately RM0.1 million (equivalent to approximately HK\$0.2 million).

The principal terms of the Supplemental Letter of Award are set out below.

Date:

5 October 2018

Parties:

- (b) Progamatic Design Sdn. Bhd. as the Main Contractor.

Subject matter:

Pursuant to the Supplemental Letter of Award, the Main Contractor :

- (a) shall enter into the Subcontract Agreement with and appoint the NSC as the subcontractor to undertake mechanical and electrical works at the Perak Plant to be carried out on terms approved by the Project Owner; and

Pursuant to the Supplemental Letter of Award, the NSC shall invoice the Project Owner for progress work done and the Project Owner shall in turn make payment by way of cheques in favour of the NSC to the Main Contractor whom shall onward release the same to the NSC in accordance with the payment term clause of the Subcontract Agreement, after taking into account the verification and payment recommendations prepared by the Main Contractor.

Save as disclosed above, all the terms of the Letter of Award shall remain unchanged and in full force and effect and binding on the parties thereto.

The consideration payable by the Group pursuant to the transactions contemplated under the Supplemental Letter of Award will be funded by the internal resources of the Group, as well as the net proceeds from the Company's IPO completed in July 2017.

REASONS FOR AND BENEFITS OF THE TRANSACTION

As stated in the Company's prospectus dated 29 June 2017 in relation to the Company's IPO and listing on the Stock Exchange, it is part of the Group's business strategies to produce its own coconut milk products going forward by expanding and upgrading its production facilities at the Perak Plant. The mechanical and electrical installation works in relation to the Supplemental Letter of Award are for expanding and upgrading the facilities at the Perak Plant, which will facilitate the implementation of the above business strategy. The planned expansion and upgrade will be funded by the internal resources of the Group, as well as the net proceeds from the Company's IPO completed in July 2017, of which approximately HK\$75.5 million, representing approximately 76.0% of the total net proceeds, has been earmarked for such purpose.

The Supplemental Letter of Award has been awarded to the Main Contractor after a tendering process and after arm's length negotiations between the Project Owner and the Main Contractor. The Directors (including the independent non-executive Directors) consider that the terms (including the contract sum) of the Supplemental Letter of Award and the transactions contemplated thereunder are normal commercial terms, fair and reasonable, and in the interests of the Company and the Shareholders as a whole.
